

CHARLES COUNTY PUBLIC SCHOOLS
2018 Summer Professional Development
 JUNE – JULY – AUGUST

Summer is almost here! Take a look at this line up of courses and workshops offered by CCPS. Feel free to register for as many CPD credit courses as you need. It is important that everyone who is interested in summer training is able to participate. Therefore, during the month of April, you can register for up to two (2) workshops that offer a stipend. In May, we will re-advertise any unfilled sessions and you will then be able to register for as many stipend workshops as you like.

For full course details and registration, go to <http://registration.ccboe.com> and use the drop-down menu to search the Catalog for *Summer PD*. The stipend rate listed is \$25/hr for teachers. If the course is open to IAs you will see the * symbol. The stipend rate for IAs will be \$15/hr for full time IAs and \$11.85 for hourly IAs.

Register at <http://registration.ccboe.com>

For help with registration, contact Dawn Schaeffer at dschaeffer@ccboe.com.
